Departure from L.I.E. Rest Stop Between Eastbound Exits 51 & 53

The Long Island Veterans Home at Stony Brook is a special place where bonds and camaraderie develop. It is a place our veterans are proud to call home while receiving rehabilitation or during their stay as a long term resident, or where they are proud to spend their day as a participants in our Adult Day Health Care Program. The LISVH is operated by the Health Sciences Center of Stony Brook University. Through this relationship they are able to provide state of the art, comprehensive medical, nursing and ancillary services to those we serve.
