

Corvette Display

Saturday, June 8th, 2019
10:00 AM to 02:00 PM

371 E. Jericho Turnpike, Smithtown, NY 11787
www.guidedog.org www.vetdogs.org

Please join us with your Corvette for *The Guide Dog Foundation and America's Vet Dogs Recognition Day*. Since 1946 these organizations have offered Service Dogs free of charge to civilians who are legally blind, Veterans of all eras and First Responders, with a life time of aftercare. Their dogs are valued at over \$55,000.00.

Among the approximately 600 individuals / supporters expected to attend the event are Long island Lions Clubs, VFW's, Knights of Columbus, DAV's, First Responders, Home Depot, Marchon, Designer Anthony Rubio, Boy Scouts, Girl Scouts our Puppy Raisers and family and Friends.

This year the organization is including "vintage vehicles", including our Corvettes. Show cars should be on the field between 10:00 and 10:30 AM. This is a rain or shine event. We look forward to seeing you there even if weather will not permit driving your Corvette.

There will be a Foundation Tour, Free BBQ and Ice Cream, and a goodie-bag for attendees.

In order to plan appropriately, please respond to Hank DeMartino with your intent to participate at hank.demartino@verizon.net .
