---

Help us salute our health care workers and veterans – the true American heroes!

The Long Island *Corvette* and Car Club community will honor our hero's with a drive-by parade at the Long Island State Veterans Home 100 Patriots Road at Stony Brook University off Nicolls Road.

We plan to stage all cars in the lower parking lot.

Signs and balloons honoring our heroes are encouraged.

We will not exit the vehicles and we will keep correct social distance.

The clubs sponsoring the event include *Metro-LI Chapter, NCRS, LI VETTES, Beyond the Badge* and *Centurion Cruisers*. All clubs and cars are welcome so please tell your friends.

For more information call Mark Tulley (516-841-6376), George Reich (516-639-3666) or Gino Albanese (516-693-8597).
