

Caravan to Carlisle

*Rain or
shine!*

**Wednesday, August 25th, 2021
09:00 AM**

If you're planning on leaving for Carlisle on Wednesday, why drive alone? Join a caravan of our members who will be driving there together... and, if you can, bring your Vette!

However you get to Carlisle, don't forget to stop by the Metro-Long Island Chapter booth A56 on the Vendors' Field. As always, we would appreciate your assistance to help man the booth at Carlisle. If you can volunteer for an hour or two it would be very helpful. If not, just stop and say hello and get out of the sun! COVID-19 protocol will require everyone to wear a mask in the booth.

Departure Time and Place: Wednesday, August 25th at 09:00 AM in Mineola, NY at Autoquip located at 290 Willis Ave Mineola, NY 11501. We plan to make a stop at Lancaster PA along the way.

Directions: Just north of Jericho Turnpike on Willis Avenue on the east side on the street. There is an alley way between Willis Hobby and The Auto Parts Store. Take LIE or Northern State Parkway to Willis Avenue South to the address. From the south shore take Meadowbrook Parkway to Jericho Turnpike and go west to Willis Avenue and make a right at the diner and it will be on the right side in about 300 feet.

For more information on the caravan or to volunteer some time to man the booth, please call **Mark Tulley** at (516) 841-6376 or MTULLEYLIFTMAN@GMAIL.COM. Mark will coordinate the Mineola departure.
